

Mariners Church Scholarship Request Form

Camps and events are very important to our ministry at Mariners Church. We believe that our camps and events are what help students grow deeper in faith, help establish a solid community for them while they grow in their faith, and they serve as a way for students to get connected to our church. Plus, they are fun!

We have a policy at Mariners Church that we never want money to be the reason a student cannot attend one of our camps or events, and God will always provide the finances necessary for a student to go to camp. We will never tell a student they cannot attend with us because they don't have the money to go.

This is why we have our Scholarship request form. No application will be turned down. These forms are for us so we can track how much scholarship money we are paying to students. We ask that everyone who requests a scholarship to fill this form out and turn it in with your permission slip.

All requests will remain confidential.

Student's Name: _____ Gender: _____ Grade: _____

Parent's Name(s): _____

Address _____ City: _____
